Ma Ville

Bonjour! Je m'appelle Corinne. J'habite à Rouen en France. Rouen est une grande ville située dans le nord de la France. C'est très intéressant et très pittoresque. J'aime Rouen parce qu'il y a beaucoup de distractions. Il y a des cinémas, des théâtres, des restaurants, des cafés et des discothèques. On peut faire du sport aussi à Rouen. On peut faire de la natation, du vélo, jouer au football ou jouer au tennis. On peut visiter des monuments historiques et visiter les musées.

Corinne.

Read more about the provision of the ECR templates on ADepEd Memorandum No. 60, s. Diche, User Support-ICT Service at jonathan.diche@depd.gov.ph or Mr. Ariel C. To ensure sustainability and to minimize technical difficulty, the designed templates of the E-Class records were simplified using basic features used in a spreadsheet file. Teachers can download this file from the DepEd official website and from the Learner Information System (LIS) website. The use of Electronic Class Record is advised to be used by all Public School teachers to ensure the accuracy of grading and ranking pupils. In line with the implementation of DepEd Order No. 8, s. For more information or clarification, all concerned may email Mr. Jonathan F. You can simply open it through your cell phones and simply enter the score/ grade of your pupils. To ensure sustainability and to minimize technical difficulty, the design was simplified using basic features in a spreadsheet file. One of this is the Electronic Class Record that is very useful to every teacher. Just click the links below to start your download. The Division Information Technology Officer or designated Information Communication Technology (ICT) Coordinator is encouraged to conduct an orientation for school personnel and extend technical assistance to promote the use of this Electronic Class Record. They are not used to in using technology nowadays. Make sure that you logged in to your Google account, the same account in the default setting. Updates will be disseminated in subsequent Memorandum. To ensure sustainability and to minimize technical difficulty, the designed templates were simplified using basic features used in a spreadsheet file. Many teachers find the E-Class Record very helpfulAin recording child's performance in school.
