breitling b13356 manual

Our user manuals offer tips on how to care for your watch and to protect it from environmental disturbances. These manuals also address the characteristics that make your Breitling watch special its movement, its functions, and its features. All rights reserved. Would you like to access the Breitling Accessibility Website. Yes No, thank you. As the leader of the Breitling Collection, the Chronomat rapidly asserted itself as the reference in the specialized field of mechanical chronographs. Originally created to equip the famous Freccce Tricolori flight team, the Chronomat has constantly evolved over the years, both technically and aesthetically. The Evolution version of the Chronomat is undoubtedly the most accomplished, with its generous, sophisticated lines resulting from a subtle alchemists blend of proportions and curves. In 2008, Breitling renamed the Chronomat Evolution to the Chronomat, replacing the name of the old model. The current model Chronomat is linked here. Visit our locations page for details.
